courses on use of force
around the country.

“This course is an easy to use communications class for street confrontations that will assist to de-escalate engagements, reduce complaints, and liability, as well enhance officer survival!”

This is a classroom based combat-confrontation conflict resolution avoidance course. The program instructed within a classroom setting how to recognize aggression and not stimulate aggression. Students learn Active Diffusion Strategies that can avoid escalating or resolve interactions by employing tactical de-escalation methods. Officers are instructed in officer safety tactical options when de-escalation does not work and how to deploy and coordinate successful strategies. Instruction uses lectures and demonstrations to facilitate learning.

INSTRUCTIONAL OBJECTIVES:

- Risk management for officer safety
- How complaints are used against officers in litigation
- Learn principles of emotional intelligence for law enforcement
- Identify professional benefits of active diffusion strategies
- Learn methods of effective verbal de-escalation strategies
- Understanding physiological changes during aggression
- Learn to use cognitive limitations for active diffusion
- Learn methods to re-direct the thought process
- Identity different communications styles with appropriate response tactics
- Learn methods of motivational interviewing skills
- Learn methods of distraction to obtain tactical advantages
- Learn communication and physical strategies to de-escalate situations...plus more!

“I personally benefitted from this training and I would highly recommend it for officers, police managers and attorneys who defend officers. Thank you for including me and my fellow litigators in this valuable training.”

Judith A. Hanson Assistant City Attorney - City of Saint Paul
