Presents

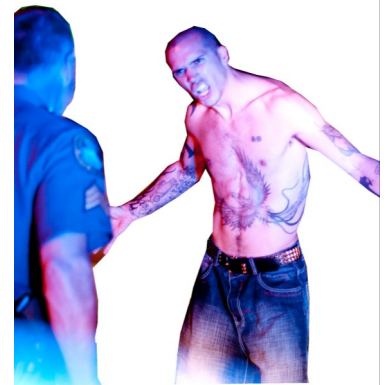

L.E.A.D.S. +T - Law Enforcement Active Diffusion Strategies + Tactical Options July 16, 2015

This is a patrol communications and tactical options class all on one in one!

A classroom based combat-confrontation conflict resolution avoidance course. The program instructed within a classroom setting how to recognize aggression and not stimulate aggression. Students learn Active Diffusion Strategies that can avoid escalating or resolve interactions by employing tactical de-escalation methods. Officers are instructed in officer safety tactical options when de-escalation does not work and how to deploy and coordinate successful strategies. Instruction uses lectures and demonstrations to facilitate learning.

INSTRUCTIONAL OBJECTIVES:

- Understanding risk management for officer safety
- How complaints are used against officers in litigation
- Identifying indications of hostility through body language
- Identify professional benefits of active diffusion strategies
- Learn methods of effective verbal de-escalation strategies
- Learn responses to Special Populations
- Learn to use cognitive limitations for active diffusion
- Learn methods of motivational interviewing skills
- Learn how police customer service benefits in court
- Learn methods of distraction to obtain tactical high ground
- Learn tactical relocation strategies when addressing superior power
- Learn how to avoid communications that may be negative
- Learn methods to re-direct the thought process through positive direction

"I personally benefitted from this training and I would highly recommend it for officers, police managers and attorneys who defend officers. Thank you for including me and my fellow litigators in this valuable training."

Judith A. Hanson Assistant City Attorney - City of Saint Paul
