Bulletproof Street Encounters
Active Diffusion Strategies + Tactical Options
Oct 7th, 2015 / 0800 - 1700 Hours

This is a patrol communications and tactical options class all on one in one!

A classroom based combat-confrontation conflict resolution avoidance course. The program instructed within a classroom setting how to recognize aggression and not stimulate aggression. Students learn Active Diffusion Strategies that can avoid escalating or resolve interactions by employing tactical de-escalation methods. Officers are instructed in officer safety tactical options when de-escalation does not work and how to deploy and coordinate successful strategies. Instruction uses lectures and demonstrations to facilitate learning.

INSTRUCTIONAL OBJECTIVES:

- Understanding risk management for officer safety
- How complaints are used against officers in litigation
- Identifying indications of hostility through body language
- Identify professional benefits of active diffusion strategies
- Learn methods of effective verbal de-escalation strategies
- Learn responses to Special Populations
- Learn methods of motivational interviewing skills
- Learn how police customer service benefits in court
- Learn methods of distraction to obtain tactical high ground
- Learn tactical relocation strategies when addressing superior power
- Learn how to avoid communications that may be negative
- Learn methods to re-direct the thought process through positive direction
