The Bulletproof Mind
Psychological & Physiological Preparation for Combat
Lt. Col. Dave Grossman (Ret)
U.S. Army (Ret), Director, Killology Research Group

Lt. Col. Dave Grossman is an internationally recognized scholar, author, soldier, and speaker who is one of the world's foremost experts in the field of human aggression. As founder of a new field of scientific endeavor termed "Killology," Lt. Col. Grossman has made revolutionary new contributions to our understanding of killing in war, the psychological costs of war, the root causes of the current "virus" of violent crime plaguing the world, and the process of healing the victims of violence, in war and in peace. Nominated for a Pulitzer Prize for *On Killing*.

Bulletproof Practices Through Strategies and Tactics
Lt. Kevin F. Dillon (Ret)
International Speaker and Combatives Instructor

Lt. Dillon is a 26 year veteran law enforcement officer, SWAT Commander, internationally recognized combatives instructor and speaker. He is the founder and developer of the L.O.C.K.U.P. ® Police Combat System now presently instructed in over 15 states and 5 countries. He has appeared on CNN, NPR, Police Magazine.com and is a Police Academy Expert and Contributor for PoliceOne.com . Lt. Dillon will open the presentation with the **Strategies and Tactics** for law enforcement violent engagements. Recent research and incidents will be discussed and how to apply the science and research to enhance street tactics.
