An intensive 5-day training program on L.O.C.K.U.P.® Police Arrest and Control Instructor Course. This course provides in-depth arrest and control confrontation training. It develops a solid foundation of de-escalation tactics, physical manipulation techniques with instructional methods that will certify the student as a Basic L.O.C.K.U.P.® Arrest and Control Instructor. The empty-hand skills can be relied upon by individual officers or with as teams. This system is a complete arrest and control program that fully integrates all weapons systems of law enforcement.

"K.D." Lt. Dillon was on the board of advisors for my book, On Combat, and I have been a fan of his work for years. The training conducted by Lt. Dillon will inform and motivate the student. I cannot over emphasize the way he works on developing the mind, body and WARRIOR SPIRIT of the student, like no one else and nothing else that I know of.
