***Responding to Violence with Strategies and Tactics***  
**Tuesday Feb. 25, 2020 0800 to 1700**

A tag team presentation by two internationally recognized experts, this course will discuss and address an integrated approach when responding to violence with the community. This eight hour seminar is designed as an integrated response for Police, EMS, Fire, Community members and Educators. The key to responding to violence is to prepare strategically, emotionally and tactically. The first step is to acknowledge that violent attacks can happen to you, the second is to take steps to prevent it.
