FBI National Academy
Associates
2022 Science & Innovation Award
Presented to L.O.C.K.U.P.

The L.O.C.K.U.P. training differentiated itself from other Defensive tactics programs being instructed throughout the country.

Not a technique-based training system but the emphasis is on the actual collection of data on the use of force incidents, and detailed reporting to determine the effectiveness and needs assessments of the officers on the street.
