An intensive 5-day training program on L.O.C.K.U.P.® Police Arrest and Control Instructor Course. This course provides in-depth arrest and control confrontation training. It develops a solid foundation of de-escalation tactics, physical manipulation techniques with instructional methods that will certify the student as a Basic L.O.C.K.U.P.® Arrest and Control Instructor. The empty-hand skills can be relied upon by individual officers or with as teams. The Singular purpose of the L.O.C.K.U.P.® System is to safely, quickly and successfully control and secure an arrested person. The System was conceived, developed and is taught to achieve that result. It is **street proven, court tested, defensible and retainable** for the officer. If you don't think the techniques you instruct will be analyzed and scrutinized, just watch the MN Trial!
