## Crisis Intervention

### Team Tactics and Control Instructor Training

#### Response to Individuals in Agitated States

April 10 - 12, 2024

This is a 3 day Instructor Program on Crisis Intervention - Team Tactics and Control Instructor Training. It develops a solid foundation of identifying individuals that are in crisis, proper response to multiple officer control as an integrated EMS response. The de-escalation tactics, and coordinated techniques with instructional methods that will certify the student at an instructor level. The purpose of the L.O.C.K.U.P. ® System is to safely, quickly and successfully control and secure an arrested or person in crisis . Through lectures, demonstrations, role play, and practical scenario applications this course will instruct students to use the force reasonable to control a violent resisting or combative suspect with a coordinated and controlled response. The techniques are based on direct, proportionate, and measured responses.

Based on proven practices of the L.O.C.K.U.P. Training Systems

### FBI National Academy Associates

#### 2022 Science & Innovation Award Presented to L.O.C.K.U.P.

*The L.O.C.K.U.P. training differentiated itself from other Defensive tactics programs being instructed throughout the country. Not a technique-based training system but the emphasis is on the actual collection of data on the use of force incidents, and detailed reporting to determine the effectiveness and needs assessments of the officers on the street.*
